

2020 JOM Indian Education Election

Keys Public Schools

One of the most important components of the JOM Program is parent involvement. This October, parents of JOM eligible children will have an opportunity to get involved in the development of the JOM Program at their schools.

Elections for JOM Indian Education Committee members will be held October 20th, 2020 for Keys Public Schools beginning at 7:00 pm via Zoom (for social distancing purposes).

To serve on the JOM IEC, a person must be the parent or guardian of a JOM verified child. School board members or spouses and school employees or spouses cannot serve on the committee.
